TERMS & CONDITIONS

- Package prices and contents are only applicable during the contracted period.
- Once a package has commenced, it cannot be downgraded. However, if upgraded, the entire package, will be charged at the higher rate.
- In case of early discharge, unused package items will not be refunded.
- When circumstances require a change in the type of delivery planned, it will be necessary to alter the package.
- Diagnostic and procedure charges included are listed in the schedule of care.
- The delivery package commences on the day the baby is born. The post-natal package of visits will also become effective from the day the baby is born.
- For a normal vaginal delivery there is no additional room charge for the delivery suite the night before the baby is born (the use of a separate patient room will incur charges).
- Specialists providing care as part of these packages are independent, designated private practitioners.
- For urgent cases in the specialist care packages, if an alternative specialist is called to see the patient charges listed will not apply.
- Elective caesarean sections must be booked within regular operating hours.

Delivery Package Inclusions

- Packages include nursing care, room and meal charges, operating theatre and treatment normally associated with the type of delivery.
- For specialist packages, obstetrician and paediatrician fees are included.
- For caesarean section packages, obstetrician, paediatrician and anaesthetist fees are included.
- Dating and Anomaly scan performed by a specialist.
- Partner presence in the labour room or operating theatre.
- Cutting of the umbilical cord; Use of Forceps or Vacuum Deliveries
- Postnatal health and infant care education including bedside breastfeeding coaching and breast milk expression, early bonding
- Maternal and child health record book
- Routine blood check nursery care, three vaccinations for the baby i.e. Vitamin K, Hepatitis B and BCG
- Amenities for mother and nappies for baby during the stay

Room category and charges

- Private Rooms, Twin Rooms and Standard Rooms, are subject to availability.
- A private room refers to any category of room with single occupancy.
- Additional ancillary charges outside of the package (e.g. drugs & consumables, laboratory tests, X-ray and procedures etc.) and doctors' fees vary according to the room category.
- Rooms are allocated on a first-delivered-first-served basis. If the preferred type of room is unavailable at the time of admission, the patient will be offered other room type options.
- A lodger is permitted in private rooms at no additional room charge. All lodgers' meals will be charged according to the items ordered.
- Isolation rooms are allocated on written instruction from the doctor for clinical indications or if required by the hospital's infection control policy. This will result in additional accommodation charges or medical fees.
- Should the patient wish to extend their stay beyond the package they will be charged items individually and the fees collected from them directly.

Important Payment Information

- No direct billing service will be provided for the OR package or antenatal care
- Emergency surgery will take priority over elective surgery. We cannot always guarantee an exact operating time for booked caesarean sections.
- There is no charge for the day of departure if check-out is before 11:30am. After 11:30am, there will be an additional charge.
- All accounts must be settled according to the agreed schedule of payment

Extra Charges

Additional services:

- Laboratory or imaging tests, procedures, treatment, cross matching and medication beyond those included in the package or related to pre-existing conditions.
- Miscellaneous items such as extra refreshments, IDD telephone calls etc. to be settled by the patient on discharge.
- Paediatrician fees for standby and birth attendance (if indicated for instrumental delivery and normal delivery).
- Induction of labour has a separate package rate.
- Analgesic epidural for normal deliveries; Use of Entonox; Stem cell collection.
- Stand by charges for operating theatres (for unsocial hours & external cephalic version) should the doctor request.
- Procedures extending beyond the scheduled operating theatre time.
- Emergency services that require care beyond the routine procedures.
- Special Care Baby Unit (SCBU), High Dependency Unit (HDU), phototherapy, special procedures such as External Cephalic Version and circumcision.
- Antenatal admission for special monitoring of mother or baby, treatment, medication, use of equipment, tests and nursing procedures.
- Additional operation charges, medication, diagnostic procedures, professional fees and sundries charges unrelated to the packaged procedure.
- For multiple pregnancy 30% of the package charge is added for each additional baby.

Unsocial hours:

- Delivery, surgery, or procedures commencing outside of regular operating theatre hours, that is 21.00h to 08.00h Mondays to Saturdays, and all day on Sundays, public holidays. Unsocial hours also apply in a Black Rainstorm or during a Typhoon signal number 8 or higher. As unsocial hours between departments vary for laboratory, imaging and outpatients please contact us for specific information.
